HELLO, JUNE. SPEND SUMMER DAYS AND EVENINGS AT FENCE STILE

Sooner or later, the weather will be warm and sunny. Fence Stile is your destination for picnics by the pond with grilling options, sunsets, relaxation, and summery wine, wine cocktails, piquette, and seasonal sangria.

Ask about our seasonal wine cocktail and sangria selection. Our Chambourcin Piquette (read more about the 2019 and 2020 vintages below), Baciamoci, and remmuS ros é offer refreshing options to wet your whistle this summer.

We have fun patio games like giant Jenga, bag toss, and more. Bring food for a picnic (no outside beverages), or order paninis, the chef's special or items from our Nibbles menu.

It's time to get back outdoors and savor the sunshine, lush vineyard views, and flowerbeds in full bloom at Fence Stile. We look forward to seeing you soon.

2020 PIQUETTE RELEASE

Fence Stile releases its 2020 Chambourcin Piquette this month. Piquette, a style that dates back to the ancient Romans and French, is a unique "second" wine made from grape pomace after the harvest crush and press. We produced Missouri's first piquette in 2019 in 375-ml. bottles. (*Read more in this Feast magazine story.*) The 2020 vintage exhibits a bold ruby grapefruit color, bright berry notes with a hint of tannin, less effervescence, and a filtered piquette with less sediment. Try the 2019 and 2020 vintages and compare their flavor! [Above, photo credit: Pilsen Photo Co-op).]
